

# Auction Night

FRIDAY 3RD MARCH

CHISWICK  
AUCTIONS

**Thank you for supporting this very special event which is designed to bring our school community together and also to raise much needed funds for our school.**

In recent years, the funding allocated to schools in London has been cut considerably, this is at a time when the cost of living is rising dramatically. School budgets are based on the number of children in a school. Whilst we are in the fortunate position of having a very stable roll, we are a small school with the capacity for only 210 children. In very crude terms, less children equals less money. At present, our budget allocation does not meet our proposed expenditure; we need to find a way to address this balance and this evening will hopefully go some way towards doing this.

At St Peter's we are driven by the desire to provide our pupils with a rich, broad, creative curriculum whereby they are offered a wealth of quality first-hand experiences to deepen their knowledge and understanding. Every penny raised this evening will go towards helping us to continue to be able to offer our children this very special provision.

*Every child in the school will benefit directly from the money raised tonight. Please give what you can.*

As always thank you for your ongoing support, it really is much appreciated.

**Miss Frazer**

---
