

...St Peter's Christmas Tree Orders...

Order your beautiful Nordmann Fir Christmas tree now- at a lower price than other local sellers - and all profits will go to the school!

*This year we are working again with 'Trees for Christmas' a small Hampshire based company who have been selling Christmas trees for 20 years and run a schools fundraising scheme to provide beautiful, sustainable Christmas trees at wholesale prices for schools. All trees are from sustainable plantations that are fully re-planted after harvest.
Last year they were excellent quality.*

8ft - 10ft (250cm+)	£85

All the trees are delivered as cut trees in nets for ease of handling and transporting.
Please be aware that you won't be able to see the tree fully before you take it home.

*Every tree is different, we cannot guarantee the exact size but it is a fairly accurate guide.
A 7/8ft tree (200/250cm) means the size could be anywhere within that range. If you want a tree that is guaranteed to be 8ft plus then you will need to order the next size up.*
